

SHOW GIRL STARS IN ROLE OF SLEUTH

Miss West Quit Stage to Be
Feminine Sherlock and
Makes Good on Job.

May West, formerly a show girl but now a private detective, entered the service of Mr. and Mrs. George M. Rusling, at No. 39 South Thirteenth street, Newark, N. J., as a lady's maid. Now, Mrs. Rusling knows the pretty Miss West was part of Rusling's plot to secure evidence on which to base a suit for divorce.

Miss West's testimony furnished the interesting moments in today's trial of the suit for divorce and Mrs. Rusling's counter-suit on the ground of abandonment, held before Vice-Chancellor Stevens at Newark. Miss West related, with evident relish, the various sounds and exclamations she heard whenever Mrs. Rusling and A. D. Tooley, restaurant keeper and co-respondent, were alone in the Rusling home.

It was Miss West who gave the signal for Mr. Rusling, while he waited in the garage, which brought him into the house in time to catch his wife and Tooley, he charges, in a compromising situation. Rusling left home with his children immediately after the incident.

Mrs. Rusling, who has been living since then with her parents at Paterson, denies the allegations and charges Rusling with abandoning her without cause. Rusling is a member of the firm of Brown & Rusling, stone contractors. He is reputed to be wealthy.

FRENCH AVIATOR TABUTEAU MAKES NEW WORLD RECORD.

Smashes His Own Figures for Aerodrome Flight, Covering 141 Miles in Two Hours.

PAU, France, Feb. 22.—Maurice Tabuteau, the French aviator, to-day broke the world's aerodrome record for a two-hour flight by covering a distance of 227 kilometers (141 miles) (41 miles 40 yards) at the flying ground here.

Tabuteau already held the record for a two-hour flight, which he established on Jan. 24 at Pau, when he flew 203 kilometers (126 miles 4 furlongs) in that time.

BUYER ESCAPES DEATH UNDER BROADWAY CAR.

Westerner Dragged Under Fender Sustains Only a Few Cuts and Bruises.

At Frederick Wertheimer, a buyer for a dry goods house in Boise City, Idaho, comes nearer to death than he did to-day he'll never live to tell the tale. Wertheimer was knocked down by a Broadway car at Forty-third street and pushed along the ground by the car's

sand-box, which is six inches in front of the forward truck. The fender of the car lifted and Wertheimer went under it.

The alertness with which the motor-man of the car applied his brakes did much to save the man.

Mr. Wertheimer, who is staying at the Cadillac Hotel, was crossing the street. He was taken to Flower Hospital with a wound of the scalp and forehead and afterward taken back to the hotel.

World Wants Work Wonders.

WIFE WOULDN'T MAKE UP.

Justice Gieseler's Efforts to Preserve Thomas Family Fail.

As an adjuster of marital differences, Justice Gieseler of the Supreme Court met defeat today when he tried to reconcile William J. Thomas and his wife, Lucetta B., who are on opposite sides of a separation suit. The trial began Wednesday, when at the suggestion of the Justice, adjournment was taken until to-day to give Mr. and Mrs. Thomas an opportunity to become friends. But

to-day, when court convened, Mrs. Thomas' counsel announced she still desired to press her suit.

Mrs. Elizabeth G. Blackwood of No. 38 West One Hundred and Thirty-eighth street, proprietor of a dry cleaning establishment, testified for Mr. Thomas.

"You wanted to be godmother to the Thomas baby, did you not?" She was asked.

She replied she did but Mrs. Thomas objected. She also admitted that she had "added" with Mrs. Thomas until Mr. Thomas' brother ceased paying attentions to her daughter.

DYNAMITE ARRAIGNMENTS ARE SET FOR MARCH 12.

Forty-eight of the Labor Men Indicted in Indianapolis Will Plead on That Date.

INDIANAPOLIS, Ind., Feb. 22.—Arraignments were completed by the Government to-day for the arraignment on March 12 of the men indicted in the dynamite conspiracy cases. District Attorney Charles W. Miller announced that about forty-eight of the fifty-four defendants would go before Federal

Judge A. B. Anderson here and enter pleas in answer to the thirty-two indictments. The McNamara, Orrie E. McManis and probably several of the defendants who are also indicted on the Pacific coast probably will not appear, and John J. McCarty, formerly of Wheeling, W. Va., has not yet been apprehended.

Frank M. Ryan, President of the International Association of Bridge and Structural Ironworkers, said to-day he would remain in Indianapolis to consult fully with the ironworkers' attorneys in preparation for his defense and that of the other indicted union officials.

TWO WOMEN TESTIFY

What Lydia E. Pinkham's Vegetable Compound Did For Their Health—Their Own Statements Follow.

New Moorefield, Ohio.—"I take great pleasure in thanking you for what your Vegetable Compound has done for me. I had bearing down pains, was lousy and weak, had pains in lower back and could not be upon my feet long enough to get a meal. As long as I said on my back I would feel better, but when I would get up those bearing

down pains would come back, and the doctor said I had female trouble. Lydia E. Pinkham's Vegetable Compound was the only medicine that helped me and I have been growing stronger ever since I commenced to take it. I hope it will help other suffering women as it has me. I can use this letter."—Mrs. CASSIE LLOYD, New Moorefield, Clark Co., Ohio.

Read What This Woman Says: South Williamstown, Mass.—"Lydia E. Pinkham's Vegetable Compound certainly has done a great deal for me. Before taking it I suffered with backache and pains in my side. I was very irregular and I had a bad female weakness, especially after periods. I was always tired, and I thought I would try your medicine. After taking one bottle of Lydia E. Pinkham's Vegetable Compound I felt so much better that I got another and now I am a well woman. I wish more women would take your medicine. I have told my friends about it."—Mrs. ROBERT COLT, Box 45 South Williamstown, Mass.

Thirty New Spring Styles
In Men's STETSON HATS
At \$3.50

True, the man with conservative tastes can still find a conservative hat to suit him; while he who ever yields to the lure of "the latest" will find much to please him in this fine Stetson showing at this common-sense price—\$3.50.

The Soft Hats show more tangible newness than the Derbies—and, by the way, this is going to be another great soft hat season. We illustrate one of the new styles—a bit higher in the crown, a bit tighter in the brim, and in a new tweed finish, although made of fur felt. The mottled ribbon—to match the body of the hat—is an attractive novelty. In colors to match a man's Spring suit—brown, tan, blue, olive, light gray and Oxford gray, as well as black.

Other Grades of Stetson Soft Hats up to \$12
Other Grades of Stetson Derby Hats up to \$10
Men's Spring Hats, Special at \$2

For tomorrow morning, special offering of Derbies and Soft Hats in new models that were made to sell for more than tomorrow's price of \$2. Fourth Floor

\$3.25—The New Price on Some Good SHOES for Men

May we tell you a secret? We planned to sell these Shoes for \$5, until we found some from another maker that offered even better value at that price. So we put these Shoes into stock at \$3.95, and have sold hundreds of pairs of them this season to satisfied customers.

But we are hardly a minute ahead of the arrival of the Men's new Oxfords for Spring, and want to get these high Shoes out of the way first. So, tomorrow—\$3.25 a Pair.

Six decidedly good-looking styles—gun-metal calf, tan Russia calf and patent leather, each in button and lace. A fair range of sizes in each style. Splendid shoes for men who can be fitted—and that means most men.

Boys' and Girls' Toe-Ease Shoes

The best principles in shoe-making applied to common sense, but stylish shoes for tender feet. Various leathers, \$1.50 to \$4 a pair, according to size. Second Floor

Men's and Women's Umbrellas
Cover with 2-year Guarantee, \$1.25

In appearance and quality these Umbrellas are far above what the price would usually buy. But that's due to our special arrangement with the maker.

Covering is of "nonpareil silk," which is pure spun silk. It is guaranteed by the makers to last two years and not to streak—which is unusual for any umbrella covering, and especially at so low a price. \$1.25, though \$2 and \$2.50 qualities.

Men's and Women's—fine variety of plain and trimmed handles. Better get ready for March storms now. Front Cross Aisle, Main Floor
